## BLOOD DONOR CHALLENGE

Once again, Corporate Challenge and IBM have teamed up with Canadian Blood Services to help fill the never-ending need for blood. In 2009, 141 Corporate Challenge teams took part in the challenge contributing over 4,100 units, which was slightly short of the goal of 4,200. The 2010 goal is 4,200 units plus 600 new donors. We know that you can do it! Teams from each division with the most donors will be awarded a trophy plus the bragging rights for the next year. To sign up, just fill out the online registration form at [www.corporatechallenge.ab.ca](http://www.corporatechallenge.ab.ca). Anyone can donate on behalf of your company. If someone attempts to donate but cannot, for whatever reason, his/her participation will still count.
